

Certificate of conformity

CE-marking under the Pressure Equipment Directive (97/23/EG)

Manufacturer: AB REGIN
Box 116
S-428 22 KÅLLERED
Sweden

Object: **BTV / BTR**
2-way and 3-way valves

Piping

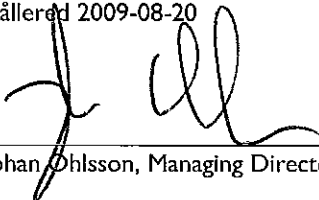

Pressure: 16 Bar Diameter: (DN): 15-32 Max temp: 185°C
Contains a gas or a liquid with vapour pressure >0,5 Bar at maximum allowed temperature which is a fluid of class 2.

Classification

This control valve belongs to Category I, Module A
This object is covered by Article 3, Paragraph 3, which means that it shall be designed and manufactured in accordance with the sound engineering practice of a member state.
This object shall **Not** have a CE market
Final Control according to appendix I paragraph 3.2.1-3.2.2

We are as manufacturer fully responsible for construction and production of above mentioned control valve.
